### FINAL EXAM SCHEDULE

#### GUIDELINES FOR STUDENTS

- \*Parents must notify the office by phone prior to the exam that a student is ill or a family emergency exists. A written note that specifies the nature of the illness or emergency should be brought to the office upon the student's return to school.
- \*Students who arrive ten (10) minutes or more late to school/class during exams may be allowed to enter the exam at the discretion of the teacher.
- \*No student will be allowed to leave a learning center because of the potential for disruption to exams. Teachers will be in learning centers.
- \*Students will be expected to make up an exam on the same day of tardiness unless a teacher instructs otherwise.
- \*Students are expected to stay out of the academic areas where exams are being held. If students arrive early, they should report to the cafeteria.
- \*Students will be expected to remain quiet and in the classroom until the end of the exam period.
- \*Students are required to be in attendance during scheduled exam time for *all credited classes*.
