Message from the Principals- Playground Update

Our playground bridge, which has sadly been out of order for about a month, will not be repaired by the close of school this year. The cost to replace was far more than expected and our solution will not be in place in time. We ask that parents who are supervising play relay our concerns and make children aware that the netting in place is not to be tampered with. We will have things up & running as soon as possible.

-Mrs. Zinni & Mr. Hawes

Important Dates:

May 24: Kindergarten Registration extended session (4:30-6:30 PM), BBES office

May 24: Abington Savings Bank visits BBES Gr 4

May 29: NO SCHOOL, MEMORIAL DAY

Communication:

Feeling Proud:

We want to be sure we relay how proud we are of BBES students for representing us well on recent field trips. Students have shown their responsibility and have made their field trips successful through cooperation, good listening and good manners. Way to go!

Afternoon Bus Procedure:

BBES bus students will be trying a new dismissal procedure for the remainder of the school year. This procedure change reflects permanent changes that will be in place at Woodsdale and BBES next year, and we are using the last few weeks as a working transition to our new dismissal.

Suessical the Musical:

SEUSSICAL the Musical Jr. will be performed at the Frolio Junior High School on Friday, May 19th at 7pm. This show will feature the talented students of the Drama Club, under the direction of Ms. Paleologo. In addition to the live performance, Miss Feeney will display student Artwork in the style of Dr. Seuss from her students in Grades 1-6,, including Dr. Seuss style fish, their own Seuss style character, a Who-Selfie self-portrait, and more. Display space is limited, but we will be hanging up as much Artwork as possible! Please come and enjoy the show!

Late Dismissals:

Please give the office ample notice when calling to dismiss your student. Our responsibilities as the school day comes to a close make it extremely difficult to coordinate a dismissal without notice. If a call for a student to be dismissed is made after 2:15, it is difficult to guarantee that the necessary coordination takes place and the student's default transportation will likely remain in place.
