

Frolio Middle School

Summer Reading Program

To all incoming August 2016 seventh and eighth graders, in collaboration with the Abington Public Library and the Get in the Game – Read 2016 Collaborative Summer Reading Program, Frolio Middle School would like to welcome you to our school's Summer Reading Program!

All students will engage in a book share with classmates during the first three days of school. All students who participate in the Summer Reading Program and complete the book share will be entered into a raffle to win a free e-reader! E-readers will be distributed to four lucky winners (two seventh grade students and two eighth grade students) for participating in this important reading program!

Lots of Book Choices!

Visit the *Get in the Game – Read 2016 Collaborative Summer Reading Program* online at <http://www.abingtonpl.org/index.php/teens/summer-reading-for-teens> for recommended reading choices.
