

Parent Consent for Acetaminophen, Ibuprofen, Antacid

Dear Parent/Guardian:

The Abington Public School health regulations allow the school nurse to administer acetaminophen, ibuprofen and antacid as needed to students with written parental permission (if student is under the age of eighteen). Students 18 years of age and older may sign this consent.

Please complete this form and check off the box to indicate that you grant permission for the school nurse to administer the medication.

Student's name: _____ DOB: _____

Address: _____ Grade: _____

Parent/Guardian names: #1 _____ #2 _____

Phone number (home) _____

Phone number (cell) _____

Phone number (work) _____

Other person(s) to be notified in an emergency if the parent /guardian is unavailable:

Name(s): _____

Phone # _____ Relationship: _____

My son/daughter is currently receiving the following medications (to be completed if not in violation of confidentiality)

My son/daughter has the following food or drug allergies:

I consent to have the school nurse to administer the following medication.

(Please check off only those medications you are giving consent for the nurse to administer, this school year, if she deems it necessary upon her assessment.)

1.) Acetaminophen

2.) Ibuprofen

3.) Antacid

I give permission for the school nurse to share information relevant to this medication as she determines necessary for my son's/daughter's health and safety. Yes No

Signature of parent /guardian: _____ Date: _____

Please be aware that if you plan to supply the medication for their personal use in school the medication must be **delivered to the school nurse in the original manufacturer-labeled container by you or a responsible adult** whom you designate. Medication may be retrieved at any time; however the medication will be destroyed if it is not picked up within one day beyond the end of the school year.

Please do not hesitate to contact the school nurse if your child needs other medication to be administered during the school day or if you have any questions.
