Abington Public School District

PROCEDURES FOR ENROLLMENT AND PROOF OF RESIDENCY

Under MGL, Chapter 76, Section 5, every person "shall have the right to attend the public school of the town where she/he actually resides." The following procedures will be followed in order to verify a student's residency.

Before any student is enrolled in the Abington Public School District, the student's parent or legal guardian* must prove legal residence in the town of Abington. Children whose primary residence is outside of Abington are not eligible to attend the Abington Public School District. Residency means the domicile where a child spends the majority of her/his time. The law is very clear that the determination for residency lies in the establishment of "domicile" – where the student resides, as determined by the establishment of where the center of her/his domestic, social and civic life is, and this is where one is to attend school. This standard must be the first step met before a family seeks to demonstrate the residency of the child.

All applicants must submit at least three proofs of residency. (Column C may be submitted within 30 days of registration.)

The documents must be pre-printed with the name and address of the student's parent or guardian. *When registering a student for Abington Public Schools, the district will confirm residency. These documents also will be required for any **change of address**.

All applicants must sub	mit at least one document from <u>each</u> of t	the following columns:
Column A	Column B	Column C
Must be showing an Abington current address**		A utility bill or work order dated within the past 60 days including
Valid driver's license	Copy of Lease	Gas bill
Valid Massachusetts photo Identification card	Mortgage Statement	Oil bill Electric bill
Valid passport, dated within the past year If license/ID does not show current address, you can go online to www.massdot.state.ma.us/rmv and click on Change of Address, they will email you a receipt. Please submit a copy.	 Section 8 Agreement Legal affidavit from landlord affirming tenancy Copy of deed or purchase and sales agreement 	 Telephone bill Cable bill Landlord letter stating utilities included Tenant At Will Please note that utility companies provide online access to download your bills/statements.

*Legal guardianship requires additional documentation from a court or agency.

The Abington Public School District residency policy does not apply to homeless students. (McKinney-Vento Act)
Residency fraud impacts all tax payers

I/we understand that all applicants must reside in Abington (Massachusetts General Laws, Chapter 76, sec 5 every person shall have a right to attend the public schools of the town where he/she actually resides, subject to the following section. No School Committee is required to enroll a person who does not actual reside in the town unless said enrollment is authorized by law or by the School Committee. Any person who violates or assists in the violation of this provision may be required to remit full restitution to the town of the improperly attended public schools. No person shall be excluded from or discriminated against in admission to a public school or any town, or in obtaining the advantages, privileges and courses of study of such public school on account or race, color, sex, religion, national origin or sexual orientation.

Abington Public Schools Home Language Survey (available in multiple languages)

Massachusetts Department of Elementary and Secondary Education regulations require that *all* schools determine the language(s) spoken in each student's home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.
