

1. You run a home daycare center and a new family in town wants you to take of their 4 year old boy. He is HIV+. What would you do and why?
2. The chef in a restaurant is fired because he has AIDS. The chef takes the restaurant owner to court. You are the judge- what will you do? Why?
3. Your best friend just told you s/he has HIV. How will this change your relationship, if at all?
4. You have been dating someone for 8 months and he/she wants to start having sex, but you've heard rumors that this person has had multiple sex partners and this makes you nervous. How will you handle this?
5. You and your spouse have been waiting over 3 years to adopt a baby. You finally get the news that a baby has arrived for you, but he is HIV+. What will you do and why?
