MESSAGE FROM THE ASSISTANT PRINCIPAL

Good Afternoon,

We are all very excited about the upcoming solar eclipse happening on April 8th. Below we are providing important information about how to safely view the eclipse. We will also be sharing this information with students next week.

ECLIPSE SAFETY INFORMATION

Eclipses are awe-inspiring celestial events, but looking directly at the sun, even during an eclipse, can be dangerous. Below are some tips to safely enjoy the eclipse and protect your eyes.

The Golden Rule: Never Look Directly at the Sun!

Even a partially eclipsed sun emits harmful ultraviolet rays that can damage your eyesight permanently. Here's how to view the eclipse safely:

- Special Solar Filters are Your Best Bet: Invest in eclipse glasses or a handheld solar viewer. These filters block harmful radiation, allowing you to view the eclipse directly.
- Beware of Imitations: Not all sunglasses or filters are created equal. Regular sunglasses, even very dark ones, are not safe for eclipse viewing. Only use certified eclipse glasses!
- Inspect Before You Use: Before using your eclipse glasses or viewer, check for scratches, cracks, or damage. Discard any compromised filters.
- Safety First, Fun Second: Always put on your eclipse glasses or viewer **before** looking at the sun. Never remove them while looking directly at the eclipse.

Have a restful weekend.

Ms. Sullivan

Project 351 CRADLES TO CRAYONS CLOTHING DRIVE

AMS 8th grader and Project 351 Student Ambassador McKinley Houghton is coordinating a Cradles to Crayons clothing drive started Monday, March 25th and is until Friday, April 5th. Cradles to Crayons collects new, like new and gently used children's clothing from size zero (newborn) to adult small and medium! (Packaged underwear and socks and pajamas must be brand new). The clothes collected will be donated to Cradles to Crayons, a non-profit organization that fights children's clothing insecurity, and will help many kids in need! Drop-off locations include Abington High School, Abington Middle School, Woodsdale Elementary School, Beaver Brook Elementary School, Abington Early Education Program, the Senior Center, and the Police Station. All donations are greatly appreciated and will go to this worthy cause!

Grade 7 & 8 Math Course Placement 2024-2025

Abington Middle School has two grade level mathematics courses in grades 7 & 8. Those are Math 7, Accelerated Math 7, Math 8 and Accelerated Math 8. The majority of students will be placed into the grade level Math course, either Math 7 or Math 8.

In alignment with the Massachusetts Curriculum Standards, a group of students will be placed into Accelerated Math courses. Grade 7 placement into Accelerated Math is based on statewide assessments, a math common assessment in grade 6 and teacher recommendation. The grade 6 common assessment that will be used to

assist in placement have already been taken by students during the week of March 11th. Grade 6 parents/guardians will be notified of placement decisions via mail in mid-April.

Grade 8 placement into Accelerated Math is based on statewide assessments, mathematics classroom achievement in grade 7 and teacher recommendation or can be initiated through parents/guardians request. Grade 7 families will only be notified if there is a recommendation for change of placement. This notification will take place closer to the end of the school year.

ARRIVAL & DISMISSAL

Abington Middle School hours are 7:50 a.m. to 2:22 p.m. Students should be seated in their homerooms at that time, ready to start the day. Parents who are dropping off their students will use the entrance to the left of the school building at Door 10 and follow the designated drop-off procedures. If a student arrives late, they must sign in at the main office. *Students who arrive after 8:30 a.m. must be accompanied by a parent or guardian.* Students will be dismissed at 2:22 p.m. Parents who are picking up students should wait in the designated drop-off/pick-up area located to the left side of the building at Door 10 and follow the appropriate drop-off/pick-up procedures. Door 10 will be open between 7:20 a.m. and 7:50 a.m. for student drop-off. Students arriving after 7:50 a.m. should enter through the front door of the building and will be marked tardy.

NOTES FROM HOME

Parents must notify the school if your child is to be absent, tardy or dismissed. A *written* note must be submitted for each absence stating the date and reason for the absence. A note is also needed to *dismiss* your child from school or if your child will not be taking the bus home. Phone calls changing student dismissal plans can impact child safety. Thank you for cooperating with this important child safety issue.

LAPTOP REMINDER

Please have your student bring their charged laptop to school every day.

Also, please have them bring a water bottle to school every day. (Plastic water bottles please - no glass bottles).
