Abington Public School District
Under MGL, Chapter 76, Section 5, every person “shall have the right to attend the public school of the town where she/he actually resides.” The following procedures will be followed in order to verify a student’s residency.

Before any student is enrolled in the Abington Public School District, the student’s parent or legal guardian must prove legal residence in the town of Abington. Children whose primary residence is outside of Abington are not eligible to attend the Abington Public School District. Residency means the domicile where a child spends the majority of her/his time. The law is very clear that the determination for residency lies in the establishment of “domicile” – where the student resides, as determined by the establishment of where the center of her/his domestic, social and civic life is, and this is where one is to attend school. This standard must be the first step met before a family seeks to demonstrate the residency of the child.

All applicants must submit at least **three proofs of residency.** (Column C may be submitted within 30 days of registration.) The documents must be pre-printed with the name and address of the student’s parent or guardian. *When registering a student for Abington Public Schools, the district will confirm residency. These documents also will be required for any change of address.*

Re: Inclement Weather or Emergency School Evacuation and Dismissal Policy

Dear Parent/Guardian:

In case it becomes necessary to dismiss our school, the following procedures have been worked out:

All schools (i.e., snow). Students will be sent home via regular method with dismissal being widely announced.

Individual School (i.e., emergency situation). Students will, in most cases, be transferred to a host location (e.g., Middle School to Frolio School Building) and released home at their regular time. Walkers will be supervised back to their regular school area and released; bus students will be transported from the host location. Dismissal will be widely announced.

Parents are requested to prepare a plan for their children if released home other than at regular school time.

Home Language Survey (available in multiple languages)

Massachusetts Department of Elementary and Secondary Education regulations require that all schools determine the language(s) spoken in each student’s home in order to identify their specific language needs. This information is essential in order for schools to provide meaningful instruction for all students. If a language other than English is spoken in the home, the District is required to do further assessment of your child. Please help us meet this important requirement by answering the following questions. Thank you for your assistance.
